DECISION ON DAMAGES¹

On May 6, 2020, Diane Jebran filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that she suffered from a shoulder injury related to vaccine administration (SIRVA) as a result of receiving an influenza (“flu”) vaccine administered on September 27, 2018. Petition at ¶¶ 2, 18. Petitioner further alleges that her injury has persisted for more than six months. Petition at ¶ 14. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On August 30, 2021, a ruling on entitlement was issued, finding that Petitioner was entitled to compensation for a SIRVA Table injury. On October 7, 2022, Respondent filed a proffer on award of compensation, which indicates Petitioner's agreement to the amount(s) therein. Based on the record as a whole, I find that Petitioner is entitled to an award as stated in the Proffer.

Pursuant to the terms stated in the attached Proffer, **I award a lump sum payment of \$192,686.89 (representing \$120,000.00 for pain and suffering; \$7,479.99 for past unreimbursed expenses; and \$65,206.90 for past lost wages) in the form of a check payable to Petitioner.** This amount represents compensation for all damages that would be available under Section 15(a).

The Clerk of Court is directed to enter judgment in accordance with this decision.³

IT IS SO ORDERED.
